It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

RAINBOW IN THE WORD (HARDBACK)

Wipf & Stock Publishers, United States, 2017. Hardback. Condition: New. Language: English. Brand new Book. LGBTQ Christians read, love, scrutinize, become absorbed with, and find deep spiritual meaning in the Bible. As these testimonies show, lesbian, gay, bisexual, transgender, and other queer Christians are inaugurating a fresh, exciting, new era in biblical interpretation. It is they whose rare insights into particular Bible stories and characters, told with poignancy and clarity, reveal a gay-friendly Bible and a gay-friendly God who cherishes and needs them just as they are. It is they who are running to the Bible with a longing for the Holy Spirit that far surpasses that of too many straight Christians. If given free rein, these inventive, challenging, and profoundly engaged evangelists may be the ones we have been waiting for to rescue biblical interpretation from those who too often are not only hurtful but dismal and boring. Thank God for them! "In the dialogue and debate about the place of LGBTQ persons in Christian churches, too often only the voices of straight, white, usually male, scholars and theologians are heard. Rainbow in the Word introduces us to the beautiful voices of LGBTQ persons themselves, people who, against all odds, have kept the faith and who can speak for themselves. No conversation about these courageous and articulate Christians should take place without their own voices being heard. Highly recommended!" -- Brian D. McLaren, author of The Great Spiritual Migration "'Life stories can remake today's theology, ' James Wm. McClendon, Jr. once said, and in this movingly penned, intellectually diverse, and spiritually transformative volume of story-theology, Ellin Jimmerson and her contributors show us how. Rainbow in the Word offers earthbound models of Christian desire for transcendent meaning, which is no small accomplishment. This book's wisdom has been forged on life's tough...
